

WASHINGTON COUNTY, ARKANSAS
Purchasing Department

October 18, 2017

RFP 2017-08 Request of Clarifications II

1. Is an Arkansas Commercial Contractors license required to submit a proposal? **No**
2. What is the desired occupancy of the shelter? **25-30 people**
3. Is a handicap ramp a part of the proposal or will the county take care of that? **Yes**
4. Will it be attached to the existing sidewalk or will a walk be a part of the proposal?
Washington County will take care of this.
5. Are there any underground utilities or septic systems in the vicinity of the shelter? **There are no conflicting utilities or septic systems**
6. Is there somewhere on site that the material excavated for the foundation can be disposed of? **Yes**
7. Is a building permit required? **No**
8. When will the contract be awarded? **Projects are generally awarded as soon as possible. Normally within a 30 days of bid opening.**
9. Will the owner be responsible for making the electrical connection to the shelter? **Yes**
10. How far does the shelter have to be from the Helipad? **50 feet minimum**
