#### Addendum 1

#### BID 2025-02 Drug Testing Service

1. Is there a chance that this could be done by our collectors in one day versus two? Everyone tested for the week? **That would not be possible.**
2. What if a donor cannot provide a urine sample? We recommend hair or a lab based swab? (Which we can provide) **If a participant cannot provide a urine sample within the 2 hour window of testing, they should be told to go to the Probation office.**
3. Do you provide the send to lab supplies, coc forms, fed ex shipping supplies, cups, bar codes etc.? What lab do you use now? **Lab confirmation supplies are provided. The State provides the lab.**
4. What amount of insurance is required of general liability? **Please contact your insurance provider.**
5. Will our collectors need to use our own gloves? **No, gloves are provided.**
6. What rapid kit do you use? Is it a dip card, pipette, or an integrated test cup? Is the test device a 5, 7 or 10' panel? **We use 16 panel cup along with 3 dip cards.**
7. Who will supervise the 175 donors that will be coming to us for collections? **The testing will be done in the Historic courthouse. There will not be 175 donors per test day. The security officers are available if needed.**
