

Washington County uses CodeRED to Deliver Internal Employee Notifications

All new employees are encouraged to enroll to begin receiving internal notifications from Washington County. Steps to enroll are below:

1. Scan the QR code below with the camera on your mobile device
2. Create a username and password; employee work email is suggested for enrollment
3. Enter your name and any contact information that you would like to provide. You can opt in to receive automated weather alerts, as well.
4. To enroll via desktop computer, please [Click Here](#) to visit the enrollment webpage.

Scan QR code above to enroll

If you have questions for require assistance, please contact Human Resources.
