Conditional Use Permits, Variances, Subdivision Plats, and Large Scale Development Plans to be placed on the Planning Board & Zoning Board of Adjustment meeting agenda must be turned into the Planning Office by 2:00 p.m. on the submittal date shown on the schedule. All items required must be included with your submittal (this includes soil work, drainage reports, traffic reports/studies, fire flow etc. - when required). Please consult the project's checklist to ensure that you have all items required for submittal or your project will not be placed on the agenda. Planning staff will provide neighbor notification letter/address list that needs to be sent out by applicant.

If approved by the Planning Board, Conditional Use Permits must be ratified by the Quorum Court. This ratification usually takes place at the next regularly scheduled Quorum Court meeting. Any applicant or member of the public may appeal the approval or denial of a CUP within thirty (30) days of the Planning Board's decision. Contact the Planning Office for appeal forms and additional details.
